Can do a successful trade by selling a substitute for honest qualities and standard brands. They lose customers too fast. Perhaps you think one line of 5 cent calico is as good as another. It is not. We take as much care in selecting our muslins, prints, cotton bats, etc., as we do our dress goods and shoes.

If you are going to buy 5 cent calico why not buy the best? Our line is superior to all others. If you are going to buy cotton bats why not come to our store and get 3 full 16 oz. rolls of nice quality for 25 cts? You can't get them elsewhere.

Our 5 cent muslin is smoother, nicer and better quality than others sell at that price.

Our 8 1-3 cent bleached muslin is the same quality others sell for 10 cents.

Our 33c. ALL WOOL serge is as good as you can buy for 50 cents elsewhere.

Our whole stock will run the same way. We mention these few articles as straws to show which way the wind blows.
